WORK AND VOLUNTEER EXPERIENCE:

Programmer – Speakweb (Marvin Irwin); October 1st, 2021 - Present

- Currently helping to write applications with Node.JS in Typescript and Javascript.
- Continuing to collaborate on projects with multiple people using git and GitHub.
- Helping to incorporate REST APIs to interface with web platforms to automate tasks and automatically collect information from websites.
- Continuing to improve my programming skills and gain insight into the rapidly changing technology industry.

Election Official (EO) – Elections Burnaby; October 1st, 2022 - October 15th, 2022

- Assisted in the setup of the Voting Location tables and Laptops.
- Put up signs in and around the voting location.
- Verified ID and crosschecked voter information with the VoterView system.
- Checked voters into the VoterView system, and struck them off the voters list.
- Issued Ballots to voters.
- Cleaned and closed up the voting location once the polls had closed.

Product Demonstrator – Club Demonstration Services; August 6th, 2021 - October 2nd, 2021

- Packaged samples into COVID-safe take-out bags.
- Provided product samples and demonstrated products to Costco customers whilst selling my designated product.
- Assisted customers in locating sought-after products.
- Directed customers to locations and services within the Costco warehouse.

Volunteer – BC Technology for Learning Society; June 5th, 2021 - June 25th, 2021

- Collected parts from donated computers.
- Sorted computers by type.
- Cleaned out and sorted donated keyboards so that they could be reused.
- Helped to fulfill an order of 100 computers from the Vancouver school board.

Machine Attendant – Elections Burnaby; June 12th, 2021, June 26th, 2021

- Assisted in the setup of the voting machines.
- Put up signs in and around the voting location.
- Helped voters successfully cast their ballots and directed them towards the exit.
- Cleaned and closed up the voting location once the polls had closed.
